## 4) The Memorial

**(Best Two of Three Day Event)** September 17<sup>th</sup> and 24<sup>th</sup> & October 1<sup>st</sup>, 2011

The Memorial this year will again be the modified and **handicapped** Stableford type system. (The quota system is actually called the "Chicago" System and can be found on the USGA website under Tournaments) Players will receive a point "quota" based on their handicap. The player with the most points over their quota, or closest to their quota after the best 36 holes will be the winner. This way it remains a handicapped event and all players regardless of their handicap still have a chance of winning the tournament. Based on Club Member Feedback the tournament will be a best two-of-three round event in order to be flexible as to available dates and ensure a level playing field.
